Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In a March 23, 2005 Office Action, the Examiner required restriction to one of the following groups:

- I. Claims 1-29 and 38-72, drawn to a dosimeter, classified in class 250, subclass 474.1.
- II. Claims 30-37, drawn to a process of fabricating a dosimeter, classified in class 438, subclass 48.

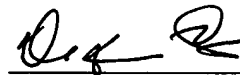

Applicants hereby elect with traverse Group I, claims 1-29 and 38-72, drawn to a dosimeter, classified in class 250, subclass 474.1 for prosecution in this application.

Applicants submit that a search of the system of Group I would uncover the process of Group II. Applicants respectfully request the right to file a divisional application directed to the nonelected claims.

A prompt action on the merits is earnestly solicited. The Examiner is invited to telephone the undersigned should he believe this would expedite prosecution of this application. It is believed no fee is required. The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 13-2165.

Respectfully submitted,

Dated: April 7, 2005

Diane Dunn McKay
